The kindergarten-to-grade-12 (K-12) educational system in China is the largest in the world, comprising approximately 200 million students. Our objective is to become the leading kindergarten to grade 12 education services platform, content provider and social networking system in China's education sector. General and Administrative expenses were \$313,205 for the three months ended June 30, 2016 as compared to \$222,118 incurred for the same period a year ago, an increase of \$91,087.

Net Gain/(Loss) from Operations

The Company incurred a net loss of \$598,297 for the three-month period ended June 30, 2016 as compared to a net loss of \$474,750 incurred for the same period a year ago.

Interest Expense

Liquidity and capital resources

As at June 30, 2016 the Company had a working capital deficiency of \$994,313 as compared to a working capital deficiency of \$450,188 as at June 30, 2015.

Since inception, we have financed operations primarily from the issuance of Common Stock. We expect to continue Common Stock issuances and issuance of promissory notes to fund our ongoing activities.

We currently do not have sufficient resources to carry out our entire business strategy. Therefore, we will need to raise additional capital to fund our operations sometime in the future. We cannot be certain that any financing will be available when needed. Any additional equity financings will be dilutive to our existing stockholders, and debt financing, if available, may involve restrictive covenants on our business and also the issuance of warrants or conversion features which may further dilute our existing stockholders.

We expect to continue to spend capital on:

1. development, sales and marketing activities related to UMFun, our digital education platform; and
2. development of UEXiao.

The inability to raise capital would have a material adverse effect on the Company.

Internal control over financial reporting

During the three-month period ended June 30, 2016, there were no changes in the Company's internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.
